

第26回 骨盤輪寛骨臼骨折研究会プログラム
26th Pelvic Acetabular Fracture Conference
 7th Korean-Japanese Combined Pelvic & Acetabular Fracture Conference

Date: SUN, JUNE 28, 2026, 9:00 a.m. - 3:00 p.m.
 Venue: Shikata Auditorium (2nd Floor of the Former Biochemistry Building)
 2-5-1 Shikata-chou, Kita-ku, Okayama, Japan, 700-8558
 TEL +81-86-227-4628

Time table	Presenter	
8:30-9:00	Reception	
9:00-9:10	Opening remark Greeting from KOTA	Tomoyuki Noda Kawasaki Med Sch General Med Center Chang-Wug Oh Daegu Barobone Hosp
9:10-9:40	Special Lecture I	
	Moderator: Ki-Chul Park (Hanyang Univ Guri Hosp) Selection of Anterior Approaches for Acetabular Fractures and Bleeding Control Techniques	Shozo Kanezaki Oita Univ
9:50-10:20	Special Lecture II	
	Moderator: Masayuki Ito (Southern TOHOKU General Hospital) Geriatric pelvis fracture	Young-Ho Cho Daegu Fatima Hosp
10:20-10:40	Coffee Break	
10:40-11:40	Case Discussion I : Pelvic Ring	
	Moderator : Yasuo Kokubo (University of Fukui), Chang-Wug Oh (Daegu Barobone Hosp)	
1	Reduction strategies for spino-pelvic dissociation according to the roy-camille classification	Motoki Mita Saitama Medical Center, Trauma Center
2	A case of pelvic ring injury with complete sacroiliac joint dislocation with difficult reduction	Masahiro Matsumoto Yokohama City Univ Med Center
3	Management of an extensive recurrent chronic morel-lavallée lesion	Ki-Chul Park Hanyang Univ Guri Hosp
4	Investigation of the utility of a 3D C-arm in pelvic fracture surgeries	Satoshi Kawamura Institute of Science Tokyo Hosp
11:40-12:40	Lunch Break	
12:40-13:30	Case Discussion 2 : Acetabulum	
	Moderator : Naofumi Shiota (Okayama Med Center), Young-Ho Cho (Daegu Fatima Hosp)	
1	Surgical management of an acetabular fracture combined with a femoral head fracture	Ji-Wan Kim Ulsan Univ Asan Med Center
2	Frozen osteochondral allograft transplantation for femoral head impaction following posterior hip dislocation: A case report	Yoshiyuki Matsuyama Tokyo Metropolitan Bokutoh Hosp
3	Surgical approach for the transverse-family fractures of acetabulum - which side first ?	Chang-Wug Oh Daegu Barobone Hosp
13:30-14:20	Case Discussion 3 : Acetabulum	
	Moderator : Naoki Maegawa (Nara Medical Univ), Ji-Wan Kim (Ulsan Univ Asan Med Center)	
4	Posterosuperior wall fracture of the acetabulum	Kyu Tae Hwang Hanyang Univ Seoul Hosp
5	Application of contralateral 3D modeling for pre-bending of supra-pectineal plate in acetabular fracture fixation	Masahiro Yoshida Aichi Medical Univ
6	Fixation of acetabular fracture associated with superior dome impaction in geriatric acetabular fracture	Jae-Woo Cho Korea Univ Guro Hosp
14:20-14:30	Closing Remark	Tomoyuki Noda Kawasaki Med Sch General Med Center
